

# On the right tracks

It was full steam ahead last Saturday evening as the North Wales Model Engineering Society held their summer barbecue despite bad weather.

Over 70 members attended the barbecue, held on Bodafon Fields, Craig-y-Don, and they were entertained by four model locomotives which gave rides around the narrow gauge railway track.

Members are reminded that the last outdoor track meeting of the society this season will be on Wednes-

day, September 18 at 7.00 pm and the first indoor meeting will commence on October 7 at 7.30 pm in the Centenary Buildings of Rydal School. Meetings will then continue the first Monday of each month.

**Building up a head of steam before the barbecue gets underway is Mr Bob Stark on Speedy, while John Bithell and chairman Mr Kenneth Jones stoke up Annie.**
